DELIVERED BY DAY1 AND **INVERNESS KART RACEWAY**

4 YEARS OF INDUSTRY LEADING TRAINING TO THE HIGHLANDS

Do you have a keen interest in the mechanical industry or wish to further your knowledge and understanding of engineering? This course is ideal for you. You will have the opportunity to work directly on road legal cars. Lessons include a mixture of classroom and workshop based learning, giving you real life workshop experience. Even if automotives is not on your horizon, our Foundation Apprenticeship will still teach you fundamental life experience. We will guide you to future success

A Typical Day on the Course:

- 9:00am arrival at Inverness Kart Raceway
- Boiler suits on then off to the workshops
- Hot chocolate break with game of pool or a bit of basketball
- Back to the workshops for more hands on experience
- Hot roll for lunch
- Karting, battling other schools for the crown of fastest group

"My son has discovered real self-confidence and direction thanks to this course. Thank you" - Parent of 2020 Course Student

"Awesome, definitely the best things I have done in School" - 2021 Course Student

"Pete and Gavin have helped me get my dream apprenticeship" - 2022 Course Student
